

STAY SAFE

Drawn by
CHARLOTTE FRANCIS,
aged 9, from the 258th
Birmingham Brownies.

As part of Girlguiding UK's Girls in Action campaign, Railway Children produced the 'Making the Invisible Visible' pack to raise awareness of the dangers of running away from home.

WHEN THINGS ARE DIFFICULT AT HOME OR SCHOOL, RUNNING AWAY CAN SEEM LIKE THE ONLY OPTION.

Running away is never safe though - there are many dangers and risks.

Speak to someone you trust before you make any decisions. If you don't feel there is anyone you can talk to, there are national helplines you can turn to. They're free, confidential and can offer advice and support. They'll be able to help you find a safer alternative to running away.
