A BIG DIFFERENCE...**

DRESS IT UP

Forget those dress down Fridays of old, now millions of us are working from home, every day is a dress down day. So why not hold a dress up day instead? Brighten up your work video conferences by getting the team on board and encouraging everyone to make a little extra effort for a small fee. Swap those tracksuit bottoms you've been wearing for weeks and that jumper that needs a wash for your best black-tie or glamorous gown. Or choose your own theme... 80s neon, superheroes, film characters or even make no effort at all and have a PJ day... the choice is yours!

HOW

- **PLAN THE DRESS CODE FOR YOUR MEETING AND MAKE SURE EVERYONE KNOWS.**
- **ASK EVERYONE FOR A SMALL DONATION**
- **CLICK HERE TO DONATE TO THE CAMPAIGN JUSTGIVING PAGE.**
- **POST YOUR PICTURES ON SOCIAL MEDIA USING #QUARANTEAM AND TAG US.**

WHY

Our teams in East Africa are trying to supply children living on the streets with face masks to protect them from the virus. Without them, they are picking used ones off the ground instead. We want each child to have two masks so they can wash and reuse them and it only costs £1 for two. Even a small amount raised can help keep these children safe.

£5 WOULD SUPPLY 10 MASKS TO CHILDREN ON THE STREETS
